This information is provided in response to a specific request and is for advisor use only. Past performance is not indicative of future results. This material is not financial advice or an offer to sell any product. The relative strength measure is based on historical information and should not be considered a guaranteed prediction of market activity. It is one of many indicators that may be used to analyze market data for investing purposes. The relative strength measure has certain limitations such as the calculation results being impacted by an extreme change in a security price.

Clark Capital Management Group, Inc. reserves the right to modify its current investment strategies and techniques based on changing market dynamics or client needs. The information provided in this report should not be considered a recommendation to purchase or sell any particular security, sector or industry. There is no assurance that any securities, sectors or industries discussed herein will be included in or excluded from an account's portfolio. It should not be assumed that any of the investment recommendations or decisions we make in the future will be profitable or will equal the investment performance of the securities discussed herein.

Clark Capital Management Group, Inc. is an investment adviser registered with the U.S. Securities and Exchange. Registration does not imply a certain level of skill or training. More information about Clark Capital's advisory services can be found in its Form ADV which is available upon request.
